# Live My life the way I would like to

Support elderly live at their own home longer

Facilitate smart health care solutions and service to support a viable living at home

## Topic

Smart and healthy living at home  
DT-TDS-01-2019

Continue the ideas from  **FRONT-VL**  
from empowering to viable living  
**SMART Cities**

Scale up the solution and services

# The plan

- Consortium 15-17 partners
- 4-6 Pilots in partner countries
- Continue the development of solutions and services from the current Celtic+ project FRONT-VL
- An open platform for gathering, analyze and provide information to the individual as well as the care giver
- The solution and services based on modularity, standardization and flexibility.
- Close cooperation between industry, academedia, government and users
