INTRODUCTION

The 9th edition of **MURCIA FOOD BROKERAGE EVENT 2019** will present the latest creations in the field of food technology, providing companies from different European countries with an excellent opportunity to hold bilateral meetings aimed at establishing technology cooperation agreement related to the latest innovations in the sector. This event also focuses on the search for partners for H2020 collaborative projects.

PARALLEL EVENTS

A number of conferences and presentations will take place within the **9th International Symposium on Food Technology**, in which the latest creations in the sector will be presented.

ORGANIZATION

Murcia FOOD Brokerage Event is a free event organized by the Regional Development Agency of the Region of Murcia (INFO). This is a SEIMED Murcia initiative, member of the Enterprise Europe Network (EEN) supported by the European Commission.

Murcia Food Brokerage Event is organized in collaboration with AINIA (Agrofood Technology Institute) and the Food and Canning Technology Center.
