

Guided Tour at Hannover Messe 2019

Meet Selected Exhibitors from Lower Saxony

Leibniz University Hannover

During Hannover Messe, Leibniz University Hannover, member of the Enterprise Europe Network Lower Saxony, will offer a guided tour to selected exhibitors from the region of Lower Saxony (Germany). The tours will highlight innovations and technologies from the region.

Several companies, universities and institutions from Lower Saxony will be presenting their innovative products, technologies, research results and services. The main topics are:

- Industry 4.0
- Smart Manufacturing
- Digitalization (IoT, Security, IT services)

The tour is free of charge for participants of the “Technology and Business Cooperation Days”. The tour will be in English and will take place on

Thursday, 4th of April 2019 from 2 p.m. - 3.30 p.m.

The participants will meet at the registration desk (Hall 2, Booth C01) a few minutes before the start of the tour.

Be advised: The number of participants is limited and will be assigned on a “first come, first served” basis.

If you have questions or are interested in participating in the guided tour, please contact:
